Milam Vote Favors 4-Year Term

Amendment Test Draws Only 1,440

'MOMENT OF TRUTH' — Apparently taking his cue from one young draft card burner, a man, we heard recently, burned his social security card and announced he was going to quit working.

106-106-106

It was raining Wednesday, a wonderful prospect for important ground moisture buildup.

It follows one of the most beautiful weekends of weather in recent memory.

A lot of people were out doing things around the house and yard. But mostly it was enjoying the climate.

106-106-105

The Yoemen have two more games before they can look back into the record books and find out when the last Yoemen football team did as well.

As Coach Kirk emphasizes, "Anything can happen in this game of football," and that's why the Yoemen have to play one game at a time.

If it's not Caldwell tomorrow night, it could be an improving Rockdale club who will have the steam of their Homecoming to raise their efforts for an upset the last game of the year.

It can happen, though we don't think it will happen. Were any predictions made now, and something happened, 106 would join the ranks of prognosticators who tried to out-anticipate chance.

We'll still be among the first trying for the extra-game tickets. And we'll bet there are hundreds thinking that far ahead.

106-106-106

NEW COMIC STRIP — Added to The Herald's comic page this week is Art Beeman's "Those Were The Days," a weekly comparison of old and new attitudes on various day-to-day subjects.

It joins other Herald cartoon features which include "It's A Living," "Deems," "Grubby," "Pops," "Out of Orbit" and "You're in the Army Now."

Speaker Slated For World Community Day Service Here

World Community Day will be observed in Cameron at 3 p.m. Friday, Nov. 5, in the First Christian Church.

Rev. Douglas E. Meyer of Hearne, who recently returned from a tour of western and eastern European countries, will be guest speaker. He was one of 17 Methodist ministers and laymen selected to make the tour sponsored by the General Board of Christian Social Concerns. Purpose of the trip was to study social problems, the state of the Church in socialist countries and to promote peace.

Theme for the program is "The Lady's Mission in World Affairs." Mrs. J. L. Callaway, president of the sponsoring United Church Women, said they will collect material to be sent to Chile. She said it should be suitable in size for making blouses, shirts or aprons. She added that there would be a nursery for children during the service.

Explosion Shatters Gas Station Window

An explosion at the Monroe Corbin Texaco Station in Cameron about 1 p.m. Monday shattered a window in the service station and scorched the paving next to the building. Sheriff Carl Black said cause of the explosion was a small hand grenade believed harmless by owner Bill Tucker of Jones Prairie. The cardboard covered grenade exploded when it was thrown against the pavement just outside the station office.

Tucker, an antique gun dealer, told Sheriff Black that the grenade had been given to him by a Temple man at an antique show in that city. He said it had been in the back seat of his car and he had no idea that it was explosive.

Black said no charges were filed following his investigation of the incident.

1913 CAMERON GRIDDERS — Homecoming 1965 will attract hundreds of Yoe High School and Cameron Exes, perhaps one or more of the men pictured here, for the Caldwell-Cameron Homecoming game at Yoe Field. The 1913 team, about eight years before Yoe High School opened, was about the first football team in the town's history. Do you remember? Standing, from left: Coach T. A. Hamilton, Lee Sens, Roy Epperson, Lane Denson, School Supt. J. E. Watts. Second row, from left: Manager Charlie Cargile, Tommie Tuttle, Delbert Childress, Jones Wofford, Torbett Childress, Truman

Hamilton, Ernest Kahler and the young man on the end, unidentified; and bottom row, from left: believed to be either Porter Stevens or Jack Hefley, Marvin Tyson, Oak Odum, Raymond Posey, Robert S. Pool, A. C. Odum and Arthur Matula. In front is team mascot Stewart Epperson. This team and later Cameron editions played Austin, Waco, Temple and other area schools, finding it difficult to make a full schedule. The 1965 Cameron Yoemen seek a ninth consecutive win Friday night in Camron's 53rd year of high school football. (Picture courtesy of John B. Henderson, Sr.)

Reunion Saturday For 1940 Grads

The Yoe High Class of 1940 will have their first reunion Saturday night at the Cameron Country Club. Registration at 7 p.m. will be followed by dinner and a dance.

Reunion of the 136-member class, largest in the history of Yoe High School, will bring former classmates from far and near to Cameron for Homecoming weekend. Local alumni were able to contact all but one of the 129 living class members.

Among the more than 30 out of town classmates returning for the reunion will be Neil Horstmann of Richmond, Calif., Dr. Raymond Leskar of Baton Rouge, La., and Joe Bell White of Baton Rouge. Dr. Bruce Laird Sanders of San Angelo, president of the 1940 Senior Class, will also be among the out of town classmates.

27 NEW JOBS....

Schools Draw \$143,000

Texas Education Agency has approved Cameron Independent School District's Title I application for \$124,869 for educationally deprived children, part of a \$143,000 request for Title I aid.

Dr. Herman Brown, Title I administrator, has announced that an additional \$18,000 is approved for a CISD and St. Anthony School pre-school summer program in 1966.

Twenty-seven special aides to teachers, administrators and part-time tutors will be working in the first eight grades of CISD schools and St. Anthony. Yoe High School is not included in the program, Dr. Brown told The Herald.

The payroll for the teacher's aides will total \$74,769 in this, the first of a presumably three-year program, Dr. Brown said.

BREAKDOWN

Breakdown of the balance of the \$124,869 grant is: Student aid, \$17,255; Teaching equipment, \$24,525; and general supplies and moving and equipping a new office, \$8,330.

TEA approval for requests for the \$142,000 program was based on the enumeration of some 750 pupils in the Cameron area de-

termined to be educationally deprived children from homes under \$2,000 annual income, Dr. Brown said.

A letter from Leon R. Graham, assistant commissioner for administration, Texas Education Agency, acknowledged the Title I approval. It is retroactive to October 1 and a quarter of the funds were scheduled to be transferred to the CISD depository bank.

Dr. Brown announced the following names and positions either filled or pending assignment: Administrator, Miss Janice Simicek; bookkeeper, Mrs. Leroy Broadus; and office aide, Miss Lillie Hillman.

Employed as a visiting teacher at O. J. Thomas School is Miss Nancy Williams, holder of a BA degree in sociology from Prairie View A&M.

Mrs. R. R. Martinez is a program social worker and one part-time social worker post remains open. Mrs. Gloria Perkins is the program registered nurse.

TEACHER AIDES

Ben Milam School aides are Mrs. Mary Lee Thweatt, Miss Patricia Cox, Mrs. Gerald John-

City Drive For Red Cross Goes House To House

A house to house drive for the Red Cross will be staged in Cameron Thursday, Nov. 11, in an effort to raise the \$3,000 goal for North Milam County Community drives in North Milam area are also underway.

Cameron church women will make the door to door drive, according to James D. Camp, North Milam fund drive co-chairman.

Funds are needed in this drive to continue the Red Cross blood program in North Milam County, Camp said. He added that contributions to the North Milam Red Cross fund drive go not only to ward administration of the blood program, including bloodmobile visits, but maintaining a Red Cross office in Rockdale, where emergency leaves are expedited for military personnel from Milam County, and for a national disaster relief fund.

son and Mrs. Grady Allen Jr. St. Anthony aide is Mrs. Bernadette Hanel.

O. J. Thomas library assistant is Charlie Mae Hoskins.

Tutorial service on a part-time basis will be filled by Michael Allison and Bobby Jones, both students at Temple Junior College.

OTHER VACANCIES

Dr. Brown said that a number of posts still await filling. They include: two full and one part-time reading teacher aide special-ists; two full and one part-time library assistants posts; two vacancies in tutorial services.

Student aid includes funds for lunches, \$5,400; school supplies, \$2,500; clothing, \$6,250; medical, dental and professional services, \$2,575; and psychological and reading diagnostic tests, \$530.

Teaching equipment includes: reading - teaching materials and audio-visual equipment, \$16,835; new classroom tables, desks, \$6,500; library materials, such as books, periodicals, \$6,500; health education aids, \$1,200.

General budgetary items are: medical supplies, non - consumm-

See SCHOOL Page 2

Bonfire, Dances For Homecoming

Homecoming festivities for the Cameron Yoemen will begin with a bonfire 5:30 p.m. Thursday at the old baseball park north of Cameron and will continue with the game between Yoe High and Caldwell at 7:30 p.m. Friday followed by dances for students and alumni.

Coach George Kirk said the Yoemen were in fine shape and that he would use the same starting lineup as in previous games.

The Caldwell Hornets will be looking for their first district win Friday night in an effort to upset the Yoemen homecoming. Caldwell's Coach Morris Stone said his probable starting lineup would be: LT, Maldonado, sr., 135; LG, Mendez, soph., 135; C, Zavondy, s.ph., 147; RG, Pionka, sr., 134; RT, Rosenkranz, jr., 219; RE, Horak, jr., 156; QB, Bowers, soph., 123; LHB, Willis, jr., 120; RHB, Bowers, sr., 145; FB, Altmore, soph., 115; LE, Kyles.

Harrison McLerran, principal, said ceremonies to crown the Homecoming Queen would be during halftime Friday night. Queen nominees and their escorts are Donna Jetter and Jim Lester, freshmen; Linda Richardson and Roy Thompson, sophomores; Di-ane Provack and Hill Stroup, juniors; and Jane Wied and Frankie Joe Hubnik, seniors. (see pictures inside)

The Cameron Jaycees will sponsor a dance for Yoe High Exes and the general public at the National Guard Armory fol-

lowing the homecoming game. C. J. and the Jewels will provide the music, according to Jaycee spokesmen.

The Yoe High Student Council will sponsor a dance for students and their dates at Ben Milam Cafeteria. The Castaways will provide music for dancing from 10 p.m. until midnight.

McLerran said a capacity crowd was expected to see the undefeated Yoemen Homecoming this year.

Ben Milam School PTA Meets Tonight

The Cameron Parent - Teachers Association will meet at 7:30 p.m. tonight (Thursday) in Ben Milam Cafeteria.

Felix Matula will be in charge of the program "What Scouting Means To Me."

Killeen Pilots Will See Airport Plans

Mayor Bassel Wilson will show plans for the new Cameron Municipal Airport at a "Fly In" breakfast meeting of the Killeen Aerial Club in Cameron Sunday morning.

About 20 planes from the Killeen area are expected to arrive in Cameron Sunday morning. Breakfast for the fliers and any interested Cameron residents will be served at 9 a.m. at the Star Lite.

Burlington Voters To Endorse Burlington School Annexation

Rosebud residents will vote Nov. 6 to accept the Burlington School District indebtedness in a final step annexing the Burlington district to Rosebud School District.

The Milam County Board of Trustees agreed to the annexation Sept. 17 and Burlington students were transferred to Rosebud at that time.

C. B. Law, president of the Cameron Independent School Board, said the local board had made no official move to annex the 13.2 mile \$33,665 Burlington District to Cameron, but some personal contact had been made.

Law said the Burlington people "favored the Rosebud move." Students from Burlington have been attending the Rosebud High School for a number of years.

The annexation will add \$5,000 yearly to the Rosebud District in the form of incentive building aid from the State Education Agency in addition to Burlington school taxes. Annual budget for the Burlington school last year was \$13,733.50.

L. D. Petty Jr., Rosebud School Superintendent, said, "Much thought and leadership as well as time and effort had to be spent in order to bring about this recent annexation and pattern of growth. Members of both boards of education as well as administrative heads from the local district and county levels also furnished leadership for this annexation."

EMPLOYEE OF MONTH -- Mrs. Joe Luce, left, accepts The Cameron Chamber's first monthly "Employee-of-the-Month" Award from Bill Crockett, chairman of the Chamber project. Looking on are Abe Marsh, owner of Leader

Dept. Store, and Forrest Sapp, Chamber president. Mrs. Luce has been working at the Cameron store for 45 years. She said "we must treat our customers courteously and make them feel that we appreciate their patronage."

In The Service

Pt. Leonard Wood, Mo.
Army Pvt. David Reeves, son of Henry Reeves, 1509 W. Tenth St., and 50 per cent of Company E, 2d Battalion of the 1st Engineer Training Brigade, volunteered to undergo Airborne training after an Airborne selection team toured Ft. Leonard Wood, Mo., Oct. 27.

This is the first time that a group of this size, about 250 men, volunteered for this training from two companies at Ft. Leonard Wood, Mo.

Reeves will undergo jump training at Ft. Benning, Ga., during November.

The 19 year old soldier entered the Army in June 1965 and completed basic combat training at Ft. Polk, La.

He is a 1965 graduate of O. J. Thomas High School.

OUTDOOR TIPS

CONSERVATION PROGRAM

More than 1,200 youths made contributions to soil and water conservation activities in their communities across the nation during the past summer under the Economic Opportunity Act. They were employed in work-training and work-study projects sponsored by local groups with technical assistance from the USDA.

DOUBLE-TIE BOOT LACES

Walk through the woods and you know what happens to boot laces. They frequently become untied. Stop this quick by tying large bows. Looping one bow through the other holds laces fast. Still they untie easily at day's end.

EMERGENCY LINE GUIDE

What do you do when you're

FOOL THAT BAIT STEALER

There are crooks among fishes, too. The slimy thieves slip up and steal your bait without giving the cork more than a bob, or two. When you know you have a bait-stealer nibbling at your line, fool him by taking the slack out of your line, then give the rod a quick flip downward just as the cork bobs.

This quick action will flex the rod, making the rod tip spring upward just enough to sink the hook before the nibbler can let go of the hook. And it usually puts another flapping fish on your stringer.

MAKE THAT SQUIRREL RUN

Squirrels are scary critters. They will cling like ticks to a tree limb, becoming almost invisible.

If you suspect a squirrel is lurking on some particular tree limb, run a reflected sun spot from a pocket mirror along the branches where you think the little bushy-tail might be lying. When the sun spot hits the hidden squirrel, it will start running.

BAIT FOR MUDDY WATER

Many bass fishermen fold up their tackle and quit fishing when the water gets muddy. Fish can't see the bait, they say.

True, but when muddy conditions exist, try out your noisy surface lures. The bass may not be able to see your bait, but they sure as heck respond to the racket that a surface lure kicks up.

ONE WAY TO ASSURE A CATCH

How many fish have you lost this year? More than you can count, most likely.

You can cut this loss to a minimum if you will fish with back-to-back hooks.

Simply take two ordinary single hooks and tie them together back-to-back at the shank with monofilament line.

Next fish won't be able to spit out the bait without getting hooked.

University Careers For Mrs. Reichert's Grandsons In Austin

Mrs. Henry Reichert of Sharp community had as guests Sunday her grandson, Dr. and Mrs. John D. Reichert of Austin. Mrs. Reichert, a native of Milam County, is 88 years old.

Reichert, who was awarded his Ph.D. in Elementary Particles Physics July 1 from Caltech, Pasadena, Calif., returned to Austin for duties with the University of Texas at the outset of the current semester in September. He devotes his time to research in theoretical physics and teaches a senior course, "Introduction to Quantum Mechanics." He is a native of Cameron and completed Ada Henderson Elementary School before his family moved to Austin in 1954.

After his four-year course in Caltech, Dr. and Mrs. Reichert, toured eight western countries of Europe for two months before taking up their residence at 4608 Oakmont, Austin. Mrs. Reichert, the former Linda Bartlett of Austin, received her degree with honors from the University of Texas as along with John D. in May 1961. They were married June 5, 1961, and went to California where he worked two summers for the Jet Propulsion Laboratory. Mrs. Reichert taught four years in the California School System during their residence in Pasadena.

Dr. Reichert's brother, David F., is a senior student and assistant lab instructor at the University of Texas where he is majoring in Genetics. He spent the summer working in the Genetics Laboratory at the University of Oregon at Eugene as a participant with a group of undergraduate research fellows, a program sponsored by the National Science Foundation. He also toured fifteen states covering 6,000 miles.

A Lunchbox Delight

Golden nuggets of crushed Hawaiian Pineapple spark these Oatmeal Cookies. Make a batch of them to put in lunchboxes, and the cookie jar that satisfies those after school appetites. Delicious with a glass of milk they make a health giving snack.

Tropical Oatmeal Cookies

1/2 cup shortening
1/2 cup granulated sugar
1/2 cup brown sugar
1 cup Hawaiian Crushed Pineapple with syrup (No. 1 Flat or 8 1/2 oz. can)
1 1/2 cups oatmeal
1 cup sifted flour
1/2 teaspoon soda
1/2 teaspoon salt
1/2 teaspoon cinnamon
1/2 teaspoon nutmeg
1/2 cup chopped walnuts

Cream shortening and sugar together until fluffy. Beat in egg and pineapple, then add remaining ingredients. Drop by heaping 3/4" spoonfuls on ungreased cookie sheets and bake in a preheated 375° oven for 15 minutes. Makes about 3 dozen cookies.

VD Cases Increasing

Throughout Nation

Medical Records Say

COLLEGE STATION

The venereal disease problem is on the increase in Texas and the nation. It's been getting progressively more serious during the past five years, medical reports show.

More than 30,000 cases of gonorrhea were reported in Texas last year, along with more than 5,000 cases of syphilis, according to state medical records.

The American Medical Association believes the situation is so serious that it has launched a major educational campaign to combat these diseases reports Mrs. Patsy R. Yates, Extension specialist in family life education at Texas A&M University.

WORKERS TO MEET IN CC

The 39th annual meeting of the Texas Agricultural Workers Association will be held in Corpus Christi, Nov. 4-5. Theme for the conference is "Change in Texas Agriculture." The program, according to Director John E. Hutchinson, Texas Agricultural Extension Service, and Association president, will be fast moving and highlight the trends and changes now taking place or forecast for the future.

FALL ARMYWORMS

Reports coming to Extension entomologists from widespread areas of Texas indicate that fall armyworms are on the increase.

Presently, most activity is in the eastern half of the state. The entomologists advise farmers and homeowners to be on the alert for the damaging insects. Young larvae often go unnoticed until they become rather large and have already skeletonized the leaves of the plants under attack. They feed on native and improved grasses, small grains, corn, alfalfa, grain sorghums, cowpeas and lawn grasses.

Trinity Baptist Site Sat. Youth Meeting

There will be a youth meeting at the Trinity Baptist Church 7 p.m. Saturday. Special features will be Baptist Bibly, the Christian Soldier, gospel singing and a message from Rev. Sam Skinner, pastor of the Open Door Baptist Church in Waco.

The meeting, second in a series, is open to all young people of junior high and high school age and young married couples.

Growth Through Music Is Program For History Club

Mrs. James Watson entertained members of the Cameron History Club October 26, at her home. Mrs. Mary McLane Lawrence, president, presided at the business meeting.

Growth Through Music was the theme for the program presented by Mrs. Roy Law. "There are sounds, noises and music," Mrs. Law said. "Music speaks a universal language. Every mood and personality can be expressed and music stirs the emotions of appreciation and memory."

Mrs. Law also told of the many different and unique ways in which many of our instruments were created.

A social hour followed the program with refreshments served in the dining room. Decorations followed a Halloween theme and centering the serving table was an arrangement of pyroantha and red cockscomb in a crystal bowl. Crystal appointments were used on the table.

Assisting the hostess in the dining room were Mrs. K. K. Robbins, Mrs. S. A. Cottle, Mrs. Perry Wilkerson and Mrs. Mary Lawrence.

able such as scissors, knives, \$1.20; medical supplies consumable, \$7.00; and moving and equipping new office, \$5,500.

READING CLINICS

Dr. Brown said that a two-hour reading clinic each Saturday morning will be established for those one or more grade levels behind in reading. All reading teachers will attend 18 hours of reading workshops during the school year. The first workshop is scheduled November 11.

Dr. Brown also said that reading labs, printed materials for students and teachers, will be placed in every room, grades 2 through 6 at Ada Henderson and Ben Milam and grades 1 through 3 at O. J. Thomas and St. Anthony.

Dr. Brown stressed that the Title I program is "above and beyond" the local tax support for the Cameron District.

He said that local support for the school system is as essential to CSD as ever.

Farmers Union Delegates At State Meeting

A delegation of Milam County Farmers Union members are attending the 24th annual state convention Nov. 4-6 in Abilene.

Convention delegates will voice their views on state and national issues when they adopt the 1966 policy statement, which is one of the highlights of the three-day meeting.

The convention program will feature speeches by Sen. Ralph Yarborough, Congressman Graham Fuquay of Wichita Falls and Congressman Jim Wright of Fort Worth. James G. Patton, President of the National Farmers Union, will address the annual banquet session Friday night. Patton, who has served as president of the F&S member national organization longer than any other national farm organization leader, is internationally recognized as an authority on world agriculture.

Delegates attending from Milam County Farmers Union are Ervin Petzel, George Dodd, Paul O'Brien, Duane Gamble and Mr. and Mrs. Charles Hensley. Curtis Vann, Falls and Milam County Farmers Union Insurance Agent will accompany the group.

Rites Sunday For Mrs. McKinney

Funeral services were held at 2 p.m. Sunday for Mrs. John McKinney, 70, at Mark Harris Funeral Home with Rev. John H. McLerran officiating.

Mrs. McKinney died early Sunday in a temple hospital.

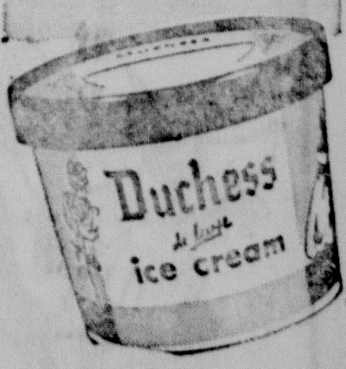

She was born Sept. 25, 1896, at Ad Hall and had been a resident of Ben Arnold where she was a member of the Baptist Church.

Survivors are her husband, John McKinney of Ben Arnold; one son, Newton McKinney of Galveston; two daughters, Mrs. Juanita Wilson of San Antonio and Mrs. Mary Nell Garza of Downey, Calif.; three sisters, Mrs. Eva Ballard, Fort Worth, Mrs. Rita Baskette, Fort Worth, and Mrs. Ruby Lee Burkhardt of Del Rio. Eight grandchildren and six great grandchildren also survive.

Burial was in the cemetery. Pallbearers were Buck Kozel, Dan Dawson, O. S. Collins, Billie McKinney, Roy McKinney and Sonny Austin.

Mrs. Schiller Hosts
Pleasure Profit Club

The Pleasure and Profit Club met October 28 at the home of Mrs. Milton Schiller. A Halloween theme was carried out in napkins and refreshments of small sandwiches, nuts, candies, gingerbread and coffee served to 16 members. The Club welcomed a new member, Mrs. Franklin Dusek. Mrs. Schiller presented the program, a book report on "I Hate Housekeeping" by Peg Bracken.

A round-cut diamond has 58 facets.

About 220,000 convicts are held in the nation's prisons.

Broom Sale Boosts
Lion Project Funds

Albert McCullen Jr., chairman for the Cameron Lion's Club Broom and Mop Sale, reported today that the club's sale was a "great success." He also said the success was the result of hard work by many people, the support of news media and the welcome and support of the Cameron people. Sales totaled over \$1,045.

Money derived from this sale will help the Lion's Club carry out their community projects such as glasses for the needy and the Crippled Children's Summer Camp.

Morning Party Fetes
NYC Visitor Tuesday

Mrs. Dana Kestenbaum honored Mrs. Ernest Shipman of New York at a coffee Tuesday morning.

Mrs. Shipman is visiting in the home of her sister, Mrs. Gus Evans Jr., this week.

How To Carry Fishhooks

Fish hooks are prickly things to handle. They catch on clothes, brush and fingers.

If you will take two strips of adhesive cellophane tape and place hooks on the sticky side of one strip, side by side, then slap the other strip of tape, sticky side down over hooks, the points will be well protected between the two layers of adhesive.

Obituaries

Mrs. Nabours
Dies, Services
Here Tuesday

Mrs. Jeremiah Nabours, 86, died at the Cameron Nursing Home early Monday morning. Funeral services were held at 2 p.m. Tuesday in the Chapel of Green Funeral Home with Rev. Richard Freeman officiating. Burial was in Oak Hill Cemetery.

Mrs. Nabours was born Jan. 5, 1879, in Golconda, Ill., the daughter of C. R. and Melissa Berry. She had been a long-time resident of Cameron and had been ill for the past two years. Surviving are her son, Charlie Nabours of Cameron, two grandchildren and one great grandchild.

Married Men To Fill
Biggest Texas Draft
Call In 12 Years

State draft boards will be authorized in December to draft any young married man without children, regardless of the date he was married to fill the biggest Texas draft call in more than 12 years.

This was announced last week by Col. Morris S. Schwartz, state Selective Service director, who said the new policy pertained to men 19 through 25 years old.

The state draft quota for December calls for 1,714 men, the biggest since June 1953, when a call for 1,749 was made on Texas boards. The November quota has been increased from 1,231 to 1,456.

No married man with children, or an expected child, will be selected to fill the December call. "Draft boards, of course, must have the information about children," Col. Schwartz said, "and an unborn child must be certified by a physician. Otherwise, a young husband and father may find himself selected."

The state draft director explained that childless married men will be ordered for induction when boards exhaust pools of examined and acceptable single men 19 through 25 years old.

Vogelsang Elected to A.B.B.A.
Frederick James Vogelsang of Cameron was elected to membership in the American Brahman Breeders Association at a recent meeting of the Board of Directors in Dallas.

Houston Rites For
Winford Crook, 49

Winford L. Crook, 49, of 1110 Choate Circle, Houston, died Tuesday, Oct. 28. Funeral services were 2 p.m. Friday at Niday Funeral Home Chapel with Rev. Manning, pastor of the Fairbanks Baptist Church, officiating. Burial was in Forest Park Cemetery.

Mr. Crook was born July 15, 1916, in Jones, Texas.

Survivors are his wife, Mrs. Doris E. Crook of Houston; two daughters, Carol Ann Crook of Houston and Mrs. J. W. Duke of Hobbs, New Mex.; two stepsons, Joe N. and Thomas M. Lawrence, both of Houston; two brothers, J. E. Crook, Cameron, and G. T. Crook, Palocedro, Calif.; two sisters, Mrs. C. E. Pementier of Houston and Mrs. O. J. Pool of Fairbanks; and four grandchildren.

Balance Forage And Livestock

Ranchmen are advised to take a look at their native pastures and ranges and determine if enough forage is available to carry present livestock numbers through the winter. G. O. Hoffman, Texas A&M University Extension range specialist, reminds that a 1,000 pound cow should have available about 3 per cent of her body weight per day in dry forage to provide necessary maintenance and for reproduction.

PERSONALS—

Mrs. Clifton Jenness recently returned from a visit in Boston, Mass., with her son, Mr. Richard Jenness and wife.

Mr. and Mrs. J. C. Martin have returned from a week's visit in Dallas in the home of Mr. and Mrs. Guy Garth. Mrs. Garth is the former Margaret Martin. Mr. Martin recently received word that his grandson, John C. Martin III of Pittsburgh, Pa., a senior at Rice University, Houston, has been elected to Phi Beta Kappa, scholastic honor fraternity.

Joining the McKinney - Akers cheering section at Yoe High football games this season have been Mrs. Maxine Corley and daughters and Mrs. Edwin Reed of Grand Prairie and Miss Gene Akers of Austin.

Recent guests in the home of Mrs. Winnie Willeff have been her son, H. A. Willeff, and Mrs. Willeff who were en route from Chicago to their home in Lufkin.

Attending the Texas Southern Baptist Convention in Houston from First Baptist Church, Cameron, were Rev. and Mrs. Jim Lafferty, Mrs. August Halberder,

Mrs. W. H. Lucas, Mr. Emmet Carson and Mrs. Emmet Carson.

Rev. and Mrs. Hilton Griswold of Newton, Ohio, have been visiting his mother, Mrs. R. A. Griswold, in Cameron and other relatives in Dallas and Tenple. They returned home Sunday afternoon to attend a funeral at his church on Tuesday afternoon. Mr. and Mrs. Smith of Corpus Christi were also visitors of Mrs. Griswold over the weekend.

Diamonds of poor quality have been found in Nevada.

LEGUMES IN BERMUDA GRASS

Legumes seeded in Bermuda grass during the winter months have more advantage in high rainfall areas and where grasses are dormant for a long period during the winter. Legumes, say Extension agronomists at Texas A&M University, increase the quality of forage, extend grazing period and add nitrogen for the grass. Grass must be essentially dormant before a legume can be satisfactorily established; therefore, production from the legume would be in late winter and spring.

Herald Contributor, Mrs. G. Avriett, To Celebrate 80th Year

Mrs. Giles Avriett, the former Miss Don Lewis of Cameron, will celebrate her 80th birthday Nov. 3 in New Orleans, La., at the home of her daughter, Don Marie McIltire.

Mrs. Avriett, one of Cameron's best boosters, has been a favorite contributor to The Herald with interesting recall of life as she remembers it in Matchless Milam.

Her parents, Mr. and Mrs. A. J. Lewis, were early settlers in Cameron. Mr. Lewis was Sheriff of Milam County and the first Mayor of Cameron that many old-timers can remember. Other members of the Lewis family included Mrs. U. S. (Lola) Hearrell, mother of Mrs. T. M. Hickey of Cameron, Jeff Lewis, a nurse in Milam County for many years, and Jack Lewis, distinguished lawyer and District Attorney. Mrs. Jack Lewis resides at 608 W. Main.

Other local relatives of Mrs. Avriett include sisters-in-law Mrs. W. O. Triggs and Miss Myrtle Avriett.

Her friends in Milam County and The Herald salute her on this latest milestone in her life.

Lutheran Womens Circles Have Study

"Loving the Unlovable" was the topic for study by the eight circles of the Hope Lutheran Church as they met in separate sessions this week.

Bible study leaders were Mrs. Arnold Glaser, Priscilla; Mrs. Vernon Dunham, Ruth; Mrs. Arnold Jungmann, Rebekah; Mrs. Lorene Coward, Dorcas; Mrs. Alvin Fuchs, Hope; Mrs. Kenneth Springer, Naomi; and Mrs. Bruce Massingill, Martha.

Hostesses for the studies were Mrs. Arnold Glaser, Mrs. Ernest Fuchs Jr., Mrs. Adolph Gresak, Mrs. C. O. Synatzke, Mrs. W. B. Juncal Jr., Mrs. Robert Jungmann and Mrs. William Glaser.

In a recent meeting of the ALCW, officers elected for the coming year were Mrs. Alvin Fuchs, president; Mrs. Raymond Schneider, vice president; Mrs. C. O. Synatzke, secretary; Mrs. Adolph Gresak, treasurer; Mrs. Florine Barkmeyer, secretary of stewardship and Mrs. Arnold Jungmann, secretary of education.

A&M Mothers Club Meets In Cameron

The Milam Texas A&M University Mother's Club met in the home of Mrs. L. F. Gohmert for their regular quarterly meeting on Wednesday, Oct. 27.

Mrs. O. G. Tumlinson, president, presided over the business meeting. The program, received from the Federation of Mother's Clubs, was given by Mrs. Tumlinson. She read and explained the student aid policy and various projects for the coming year.

After the business meeting the hostess served salad, cake, cookies and hot tea. The next meeting will be in January in the home of Mrs. Ida Johns.

4 Girl Scouts Earn Salve Regina Medal, Presentation Sunday

Four local Girl Scouts will be awarded the coveted Salve Regina Medal in a special presentation at 8 a.m. Mass Sunday in St. Monica's Catholic Church.

Patricia Hollas, Beth Brock, Mary Carolyn Matula and Connie Ellis will receive the medals after successfully completing Church and Girl Scout requirements.

The Cadet Girl Scouts, all members of Troop 311 last year, spent a year on projects required for the medal. They worked under the direction of their troop leaders, Mrs. Billie Ellis and Mrs. George Hollas, and the Diocesan Director in Austin.

Rev. John Geiser will present the medals Sunday, first to be earned by a Girl Scout in Cameron. Mrs. Lester Williams, a director of the Colorado Lakes Girl Scout District, will also be present for the presentation.

Delta Kappa Gamma Regional Meeting In Temple Nov. 6

The Temple Chapter of Delta Kappa Gamma will host the Regional Meeting November 6 at the Temple Federation Club House. The meeting will be directed by Miss Agnes Abernathy, past 2nd vice president of Alpha State.

Miss Yvette Rosenthal, past State President and Southwest regional director, will give the keynote address at the luncheon. Theme of the program is "You Have the Key."

The meeting will begin with a chapter presidents' breakfast. Registration and a coffee will follow at 9 a.m. and initiation of new members at 9:30 will be followed by chapter roll call.

The four-part program will be "You Have the Key to Better Schools in Your Area," "You're in the Right Key When You Have Music in Your Chapter," "You Have the Key to Increased Attendance at Chapter Meetings," and "You Have the Key to Making Delta Kappa Gamma Important in Your Community."

Miss Rosenthal will speak at the luncheon which begins at 12:15.

Fleur-de-lis Club Program On Roses

The Fleur de lis Garden Club will meet at 7:30 p.m. Tuesday, Nov. 9, for a program on Growing Roses. Mr. Gus Elley will be guest speaker.

Mrs. James Kahler will be hostess for the November meeting and Mrs. John Schigut, co-hostess.

St. Monica Ladies Meet, Cancer Film Show, Drive Set

The monthly meeting of St. Monica's Ladies and Christian Mothers was held November 3 in Simon George Hall. Mrs. Albert Michalka, president, informed the ladies that all old or unused clothing for the Thanksgiving clothes drive should be brought to Simon George Hall after Nov. 15.

All new members who have not been recognized publicly should give their names to Mrs. Michalka. The recognition will be held Dec. 3.

The November Red Cross drive was discussed. Father John Garza told the ladies what was included in the drive to collect \$300 for North Milam County and that each Cameron church was asked to participate.

Four Girl Scouts from Troop

311 which the ladies sponsor will receive the Salve Regina badge, a Catholic honor badge, on Nov. 7. They are Connie Ellis, Beth Brock, Pat Hollas and Caroline Mikula.

After the business a cancer film was shown. Following the film Dr. Richardson answered any questions and further explained any part of the film. We wish to thank Dr. Richardson and the Cameron Health Department

BIRTHS

Bulldogs Face Smith Lions For District Champ

The O. J. Thomas Bulldogs, undefeated in district play, will meet the Smith High Lions at 2 p.m. Saturday in a game that will decide the champion of district 10-A. The Smith Lions are also undefeated in district competition.

Last Saturday the Bulldogs defeated the highly rated Caldwell Yellow Jackets 30-0 before a large homecoming crowd in Caldwell. The Yellow Jackets came into the game with only one district loss. The first quarter ended in a 0-0 tie. Early in the second quarter QB Kelley ran 35 yards on a keeper for the first score. The extra point was missed and the Bulldogs held on to this slim lead of 6-0 for the first half.

Caldwell received the second half kickoff and moved the ball down to the Bulldogs' 35 yard line. It appeared that the Yellow Jackets could not be stoored short of the goal line. The Jackets passed on third and three. Kelley intercepted and ran the ball 65 yards to pay dirt. The extra point was run by M. G. Young giving the Bulldogs a 14-0 lead early in the third quarter.

The third score was set up with good runs by Ray, Knight, Holl way and pass receptions by Holloway and Rosemond. M. G. Young ran off right tackle for the final 5 yards for the third touchdown. Larry Ray ran the extra point for a 22-0 lead.

The Bulldogs kicked to the Yellow Jackets but the strong Bulldog defensive term of Jimmie Johnson and Edward Aycox at tackles, Fillmore and E. Johnson at guards, Townsend and Stephen at ends, Knight, Ray and Petty at linebacker and Alvin Stephen and J. L. William at safety refused to let the Yellow Jackets cross the 20 yard line. The Bulldogs' final touchdown was set up by Cornell Smith and Rogers Petty behind good blocking by Poole, Ross, Fillmore and Jennings. Knight ran the final 2 yards to pay dirt, Ray ran the extra point and the final score was 30-0 in favor of the Bulldogs.

Badgers Defeat Jonesboro Friday For 18th Win

The Buchholts Badgers wrapped up their 18th straight win in a district 12-B game Friday night as the Badgers defeated the Jonesboro Eagles 35-16. Going into this game each team was undefeated for the season, however, Larry Kudlacek paced the Badgers with two touchdowns, one amounting to 5 yards and the other for 9 yards.

Longest run for the Badgers was by Tommy Gresak, who went up the middle for 3 yards and a touchdown. Other Badger scoring came on a 32-yard pass from Calvin Shenkir to Don Glaser, and a 1-yard punge by Calvin Shenkir into the end zone.

Jonesboro scoring came on a 27-yard pass from Seaborn Asby to Jimmy commerefield, and a 24-yard pass from Kyle Pruitt. Both PAT attempts were good.

The Badgers have an open date this week, but there will be a B-team game and a Jr. High game at Badger Field with the Oglesby Tigers. The Jr. High game will begin at 7 p.m. and the B-team game will start at 8 p.m.

rushing but failed to score in any of the four quarters. A & M Consolidated Freshmen won the opening coin toss and elected to receive the ball and

Rogers-Thrall Meet Friday Thorndale Falls To Eagles 6-0

Rogers, with three wins and no defeats in district play, will play Thrall at Thrall Field 7:30 p.m. Friday.

Rogers Eagles defeated Thorndale 6-0 last week in a hard fought defensive battle. At half-time Thorndale had two penetrations and Rogers had one.

In the second half Rogers held Thorndale at the 40-yard line and Rogers penetrated the Thorndale 25-yard line four times.

Touchdown in the fourth quarter was set up by a blocked Thorndale punt by Louis Elkins. Doyle Harris recovered on the two yard line. Thorndale recovered a fumble, but punted out to their 34. Rogers drove to the one and Jimmy Mayfield scored. PAT was wide.

Harris, Elkins and Richard Green were outstanding on defense for Rogers.

The Eagles made 25 yards passing and 46 yards running against Thorndale.

Eplens Leading In Sunshine Standings

In the Sunshine Bowling League high 3-game series were scored by First National Bank, 2389; Duncum Implement, 2339; Irene's Embroidery, 2342. High team games were Duncum Implement, 8-2; First National Bank, 3-13, and New Cameron Drug, 8-11.

High individual series (scratch): Barbara Kimbrel, 408; Annette Hillman, 476; Gladys Titsworth, 484. High individual games (scratch): Maxine Falls, 180; Annette Hillman, 176; Barbara Kimbrel and Sylvia Talbott, 174.

High individual series (handicap): Mary Tucker, 6-3; Lillie Peck, 6-3; Sylvia Talbot and Mary Sue Thompson, 6-0. High individual game (handicap): Sylvia Talbot, 2-6; Maxine Falls, 2-3; Lillie Peck, 2-2.

Sunshine League standings are:

TEAM	Won	Lost
Eplens Furniture	20	8
First National Bank	18	10
Falstaff	17	11
Milam Grain Co.	15	13
Duncum Implement	13	15
Irene's Embroidery	12	16
New Cameron Drug	12	16
Citizens National Bank	5	23

after that they moved for the first of three touchdowns. With 2:35 remaining in the first quarter, Mike Mills went in from 19 yards out. The points after failed and the Consolidated Freshmen led 6-0. This capped a 67-yard drive in which Mike Mills caught 2 passes from 24 and 25 yards.

The Yoe Freshmen came back and moved back down the field but after several first downs, under the direction of quarterback Danny Matula, ran into stiff opposition and had to punt the ball. So, the first quarter ended with A&M leading 6-0.

The punt came to rest on the 19 yard line of A&M but again Mike Mills came through and caught another 25-yard pass and that gave the visiting freshmen room to breathe as they had a first down on their own 35-yard line.

Then the Yoe Freshmen got tough and held the visitors, forcing them to punt. Yoe ran just 2 plays when Doyle Sibesta recovered a Cameron fumble on the 50. Then quarterback Paul Madeley continued throwing to Mike Mills who caught a 12-yard pass. But as that play ended so did the first half with the A&M Consolidated freshmen leading 6-0.

The third quarter was played just like a football game should be, hard and tough. Neither team could put a consistent drive together. A&M failed to capitalize on a Yoe fumble on the 12-yard line but barring that it was a rugged third quarter.

Mike Litterist went for a touchdown from 28 yards out with 4:20 left in the fourth quarter. The PAT failed and the Consolidated Freshmen led 12-0. Cameron was held on their next set of downs and were forced to punt. After a good drive by the visiting frosh, Mike Mills again scored a TD from 3 yards out. The 2-point conversion was successful and with just 0:25 left in the game, A&M led 19-0. Cameron tried to move the ball but the clock was against them and the A&M Frosh won, 19-0.

4-H NEWS

The District Gold Star Banquet is set for Saturday, Nov. 6, at Tarleton State College.

Miss Patsy Stephens and parents and Frankie Dean Stiles and family will go, representing Milam County at the annual District Gold Star Banquet.

This award is presented to 4-H'ers who have given outstanding service and leadership to the county.

USE BLANKS TO TRAIN DOGS

When the hunting dog has reached the final training period successful trainers use blank cartridges to accustom the pooch to the sound of gunfire.

Yoe 'B' Team Rips A&M Squad, 20-0

By Eddie Huntsman
The Cameron Yoemen came through again as the Yoe "B" team defeated the A&M "B" team here last Thursday to the tune of 20-0.

The polished Yoe offense under the field direction of Paul Chandler and the coaching of Ken Fuqua turned in a fine show and dealt the visiting "B" team their first loss of the year.

A&M won the toss and elected to receive so Mike Miller did the kicking chores for the Yoemen. The Yoe defense held the visitors after they had racked up 2 first downs. Cameron then started business on their own 33-yard line.

John McLerran ran for 22 yards and A&M was penalized 15 yards on the same play. But after moving down field the Yoemen failed to make a first down and Mike Miller came in and tried unsuccessfully to kick a field goal.

After receiving the kickoff A&M failed to move and was forced to punt. Then Cameron started again on their own 39-yard line. But then the first quarter ends and the score is 0-0. After the Yoemen failed to move, they punted and after A&M failed to move, the game looked like it was going to be a real thriller, but Leo Michalka ensued that with a 4-47 led in the half with a 16-yard run and Mike Miller's kick was good. The

Outdoor Tips

FLOAT BAIT TO HOT SPOT

Often a pole fisherman will find a spot where he can't place his bait, even though he knows aunker lurks there.

That's when he uses one of the small cone-shaped paper cups he carries in his tackle box—providing he has the forethought to bring along a few.

He sets the cup afloat, with hook and bait inside. Then he maneuvers the bobbing cup into a position to float over the lunker's lair. At the right instant, the fisherman jerks his line, tips the cup,

and his bait sinks down to the waiting prize.

PARTNERS HUNT ABREAST

One of the best ways to make a gunning partnership pay off is to hunt abreast of each other. Otherwise flushed game may cross behind the leading hunter, or too far ahead of the trailing hunter.

Moving at a matched pace is safer, because you always know where your partner is hunting and vice versa.

AWAIT 1965 HOMECOMING — Thirty gridders seeking their ninth consecutive win make up the Yoe High Varsity team under mentors, George Kirk, Ken Fuqua, John Wilkins and Wilson Elliott. Pictured are (front from left) Kenneth Angell, Don Mitchell, David Barrett, Glenn Hughes, Jimmy Kopriva, Steve Smith, Jackie McKinney, Ray Urban, Leo Michalka and Bill

Goeke. (Second from left): Frankie Mikulec, Don Manley, Wayne Kirk, Glenn Fogle, Mike "Bull" McDaniel, Larry Shuffield, Dennis Rose, Jim Lafferty and James Hoskins; (back from left) Forrest Green, Joe Fisher, David Kratochvil, James Vogelsang, Eugene Zaleski, Mack McKinney, Doug McFarland, Newton Burnett, James Hosch and Bobby Schiller.

Yoemen led 7-0. Three incomplete passes by A&M failed to net a yard and were forced to punt. When Al Hefft was trying to field the punt it slipped away from him and the visitors recovered deep in Yoe territory but that good thing just slipped away as the Yoemen defense held them to nary a yard and they punted. After the Yoemen moved steadily down the field again Leo Michalka scored with 2:05 left in the second quarter with an excellent 50-yard scamper. Miller's kick

was off to the right and the Yoemen led at the half 13-0.

The Yoemen were to receive the second half kickoff and that proved fatal to the A&M Consolidated team as John McLerran fumbled the ball on his own 11-yard line and weaved 90 yards down the field for a TD. The PAT was good as Miller kicked 2 out of 3 extra points for the half and with just 12 seconds gone in the second half the Yoemen led 29-0.

From that point on, neither

team could put together a successful drive even though both teams mustered good plays and several first downs. The Yoemen led in the first down department, 15-6, and piled up 276 yards rushing to the visitor's 98 yards.

Defensive standouts for the Consolidated Tigers were Judson Leupold, Larkin McNeely, Mike Herlihy and Lee Powell. Standouts for the Yoemen were Charles Maddox, Trip Kuzel, Al Hefft, James Dohnalik and Cotton Bryant.

County Agent's Notes

Deadline Set For Cotton Clean-Up

By J. D. Moore

Midnight of Nov. 30, 1965, is the date set as the deadline for having all cotton stalks destroyed in Milam County in compliance with the Bollworm laws, according to Otha Barham, USDA P. P. C. Division, Bryan. Said destruction may be accomplished by plowing under the cotton stalks or destroying them by use of a rotary type stalk shredder.

Cotton stalks standing in any field in any of the regulated counties during the period from Nov. 30, 1965, to March 20, 1966, shall not be within the authorization conferred herein, and therefore, shall be in violation of the

Frozen Foods Industry Shows Rapid Expansion

COLLEGE STATION

Frozen foods have developed from an uncertain infancy to a multi-million dollar industry, and have gone large scale more rapidly than many people realize.

Most of the growth of commercially prepared frozen foods has happened since World War II, says Mrs. Gwen Clyatt, Texas A&M University Extension consumer marketing specialist.

Today, from 5 to 40 per cent of all refrigerated display cases are allocated for frozen food cabinets. This compares with only 10 per cent of the space provided for this purpose 10 years ago.

Frozen foods are convenient, almost ready to serve, and save you time and energy. Mrs. Clyatt explains. Most frozen foods are reasonably priced, and at some seasons of the year they may be as economical as the fresh or canned form of foods.

Buy quantities of frozen food only when you are reasonably sure that the handling and storage have been carefully done—at 0 degrees Fahrenheit or below; when the frozen food chest is held at or below 0 degrees, and when the foods are stacked below the "fill" line. Select frozen food packages which have not been punctured, unsealed or stained.

Each year as the new pack of frozen foods come to market, food stores offer "specials" on frozen fruits and vegetables and other items. This is a good time to restock the home freezer, provided you have ample storage space at 0 degrees F.

Some of this week's best buys can be found at the poultry and egg departments of your favorite supermarket. Fryers, chicken hens and turkeys are all attractive price-wise.

Specials on beef will vary from market to market. Some features are chuck roasts and steaks, rib roasts, ground beef and liver. In the pork line, ham, Boston Butt and frankfurters represent the more economical values.

There's a wide choice of fruits and vegetables for every shopper.

Check Tax Angles Before You Buy

COLLEGE STATION

Check tax angles before deciding on whether to buy or rent, advises Mrs. Wanda Meyer, Extension home management specialist at Texas A&M University. Decisions on buying or renting a building or other property, such as machinery and equipment, often depend on federal income tax consequences.

Here's a rundown of tax angles that may help you make such a decision:

If you buy a building, you acquire a capital asset and can recover the cost through depreciation deductions. If you finance it by mortgage, the interest paid is deductible. Cost of taxes, insurance, repairs and maintenance can also be deducted.

If you rent a building, the rent is deductible along with expenses for repairs, maintenance and taxes you may have to pay under the terms of the lease. The amount claimed as rent, however, must be actual rent—not a gift or distribution of dividends disguised as rent. If you make improvements, you can deduct depreciation for them as well as rent.

If you lease with an option to buy, you have an advantage over "straight" renting, but you may run into a tax problem. You can deduct rent—which would exceed depreciation deductions—and retain the right to buy at the same time.

This advantage can be lost if the lease is considered an installment sales contract rather than a rental contract. Solution is to keep the option price high enough, or rental payments low enough, so that for tax purposes the rent won't be treated as payment on the purchase price.

4-H CLUB Notes

By Ronald L. Bailey
Assistant County Agent

A 4-H Dog Care & Training meeting was held Saturday, Oct. 23, at 9:30 a.m. in the Rockdale State Bank. The purpose of the meeting was to discuss the Leader Guide and 4-H Dog Project Guide with interested 4-H'ers and parents. A film on "Why We Should Train Our Dogs" was shown and a discussion on the Dog Project was held.

Two Adult Leaders were present at the meeting. They wanted to know if step-by-step training guides were available to show how to train a dog. They thought the 4-H Dog Project guide did not cover the subject like they would need to actually train a dog.

Those attending the meeting were Mrs. Boyd Stephens, Leroy Stephens, Deborah Stephens, Patsy Stephens, Peggy Stephens, Mrs. Nelda Metcalf, Sherry Metcalf, Dirk Key, Mike Mortimer, Robin Yount, Carol Ann Bennett and Ronald Bailey.

The third Saturday of each month was selected as the meeting day. At the next meeting officers will be elected and plans will be made for a yearly program with the members, parents and agents.

The Milam County 4-H Swine Club held a meeting Monday, Oct. 5, at 7:30 p.m., in the county agent's office. The purpose of the meeting was to make program plans for the year and to determine the number of 4-H'ers that are interested in a swine project through the Swine Program. 4-H Swine Production guides were handed out and the Swine Handbook was reviewed.

4-H'ers and leaders selected areas where they needed more information and a program plan was made up from these areas. The programs are: November, Swine Feeding and Sanitation Before and After Farrowing; January, Swine Management at Farrowing Time; February, Summer and Winter Pasture, What to plant and its importance; March, Feeding & Management of Show Swine; April, Control of External and Internal Parasites, Vaccination Program; May, Judging of Swine; June, Feeding, Management and Selection; July, Fitting & Showing Swine; August, Feeding & Management; September, Judging & Selection, and October, planning next year's program.

Attending the meeting was Mr. Pete Vaculin and Richard; Mr. Hubert Jistel, Wayne and Clyde; Mr. Manuel Mendoza, Ricky and Manuel; Mr. and Mrs. W. C. Rodenbeck and Roger; Mr. Wayne Fleming and Donald.

The next swine meeting will be 7:30 p.m. Monday, Nov. 29, in the county agent's office.

Home Demonstration Club Notes

The Subcommittee on Aging has planned a tour of the Temple Harvest House on Thursday, Nov. 4. Interested H D Club ladies are also invited to attend. The Subcommittee will meet at 1:30 p.m. at the Cameron Extension office and travel over in a car pool.

ASCS Report

By Alva Sanders
Milam ASCS Office

Farmers who participate in the 1966 Wheat Program will receive a higher return per bushel in the new program than under the 1965 program. The 1966 program will provide a higher domestic certificate value for farmers than in 1965, and export certificates will not be issued to producers.

Wheat farmers have already been notified of their farm allotments for 1966.

Provisions for substitution of wheat and feed grain acreages are continued, and farmers may divert additional allotment acreage for payment.

Barley will be considered as a feed grain and domestic certificates to processors will be 75 cents per bushel, the same as in 1965.

Farmers who participate will be eligible for a national average price-support loan of \$1.25 per bushel on all production of their allotted acres plus domestic

certificates on 45 per cent of the yield for the farm allotment. Certificates will be valued at the difference between the national average loan rate of \$1.25 per bushel and parity as of the beginning of the marketing year July 1, 1966. Parity for wheat for October was \$2.56.

There will be no fall sign-up period for winter wheat growers. Sign-up for wheat farmers will be conducted concurrently with sign-up for the feed grain program sometime after the first of the year.

Farm yields are now being determined, and each wheat farmer will be notified of his yield before sign-up time.

Therefore, wheat farmers who wish to participate in the 1966 program must plant within their farm allotments, observe permitted acre totals when substituting and put into conserving uses an amount of land equal to 15 per cent of their farm wheat allotments. (This 15 per cent reduction

already is reflected in the 1966 allotment notices which were mailed to farmers.) As in 1965, there will be no payment for this diversion; however, they may divert additional acreage for payment. Also participants must maintain their normal conserving acreages in addition to putting diverted acres to conserving uses.

COTTON

The only changes in cross compliance features relate to cotton.

In 1966, cotton producers who want to participate in the new program will need to maintain a soil conserving base and to place any diverted acres in soil conserving uses. In addition, the USDA is dropping a requirement that cotton producers cannot exceed their feed grain base acreage to be eligible for cotton program benefits.

CROSS COMPLIANCE

To be eligible for program benefits, cotton, wheat and feed grain producers will be asked to comply with program provisions for that particular commodity on any other farm in which they have an interest in that crop.

Wheat producers will be asked to plant within the other crop allotments such as cotton and peanuts on the participating farm.

Feed grain and cotton producers would not be required to plant within other crop allotments or base acreages on the participating farm.

Under all three programs, participants are asked to maintain the normal soil conserving acreage on the participating farm. In addition, all acres diverted under each program must be put to conserving uses.

On farms where substitution is permitted for wheat and feed grain acreage, producers will be asked to participate in both wheat and feed grain programs on that farm and stay within wheat acreage allotments and feed grain base acreages on any other farms in which they had an interest in the crop.

Under the Cropland Adjustment Program, participating farmers would not exceed any other crop acreage allotment or permitted acreage on that farm or any other farm in which they have an interest. They must also have in conserving use their normal conserving acreage plus that diverted under the Cropland Adjustment Program and other Programs.

Details of the 1966 Feed Grain

7,000 Cattle Sold At Ft. Worth Show

Approximately 7,000 head of cattle were sold during the jointly sponsored Texas Hereford Association-Texas Angus Association Special Stocker-Feeder Show and Sale held at the Fort Worth Stockyards on Friday, October 29. The market, while somewhat lower than September, was good.

Tommy Andrews of Atoka, Okla., collected the top price of \$29 per cwt. for his third place pen of 10 steers averaging 367 pounds, a total of \$106.43 per head. R. G. Tullison, Cameron, collected \$24.30 per cwt. for pen of 40 5th place steers averaging 647 pounds.

Training Bird Dog Pup

One of the first acts of obedience to teach a bird dog pup is to retrieve.

Once he has this idea in mind, switch time on him and begin working him on the dummy after nightfall. This will teach him to use his nose as well as his eyes.

Program and the Cropland Adjustment Program will be announced at a later date.

The '65 Homecoming

Homecoming '65 will bring a host of grads back to Cameron tomorrow night to renew a spirit that the '65 Yoemen have stirred to a new height. Cameron says welcome to the returning Exes and to those who still live in Milam County and will be at the Homecoming Friday night to boost the Yoemen for a ninth win.

The spirit of a town, of Cameron town, is linked closely with its high school and its graduates, who may have left for greater opportunity, but who find a value more than nostalgia in visiting once again.

We understand the Class of '40 will be here in force. There will be numerous

YHS festivities at the game, numerous gatherings before and after the game.

This is the stuff that towns are made of. A sense of pride, stirring here around old memories and new football success, is what makes a town or a city move... and grow. It is sometime difficult to find the spark to explode a town's real reservoir of strength, but Homecoming '65 is gathering point for a banner year in Yoe football.

We say welcome, once again, to those who find Yoe High School a fond memory and its football team a focal point. And we hope they enjoy the hospitality and enthusiasm that this day promises.

Implications Of Draft Dodging...

A great deal has been said about draft card burning, deadline marriages and graduate-level college status either to avoid the Vietnam draft or to protest it.

Among these objectors are some who are conscientious, but the large majority are draft dodgers, who place their judgment before their nation's.

Some of these students are dupes, the worse for swallowing a sophisticated, subtle line of objection and spouting it in sometime idealistic, sometime pragmatic liberalism of immature exposure to education.

They do this while their cousins or brothers, now by the dozens daily, die in Vietnam, not because they want to, not because they are militarists, but because the course of national purpose requires it.

Some of these college students have

the audacity to place greater value on their own immature minds than on other peoples' lives. A superior mind may be worth more contributing in its field than fighting in the jungles of Vietnam, but it is not a subjective decision.

The nation can learn a great deal from this affront to patriotism and this evocation of brighter minds thinking small.

The nation also can wonder what purpose must be re-established to help some American college youth, a small but growing percentage of all youth, realize that such sophistry, such pseudo-sophistication and such intellectual cowardice erode the institutions and the nation they wish to lead.

The implications, without solution, are tragic.

Bryan PCA Officer Retires, H. P. Dansby Named Sec. - Treas.

According to an announcement made by William M. Forrest Jr. of Midway, President of Bryan Production Credit Association, McNeill Drumwright will retire as Secretary-Treasurer and General Manager of the association on Nov. 1, 1965, after 27½ years of service in that capacity. He will be succeeded by H. P. Dansby Jr., who has been Assistant Secretary-Treasurer and assistant Manager for the last seven years.

Mr. Dansby is a native of Brazos County, and before entering the Bryan PCA service was in the mercantile business in Bryan. When Mr. Drumwright came to Bryan PCA on April 1, 1938, the association had member-owned capital of \$32,300, government-owned capital of \$175,000, reserves of \$22,074 and outstanding loans of \$123,000. During the intervening years, the association paid off the government-owned capital,

and now has capital, surplus and reserves of over \$348,000 all owned by its members. Outstanding loans this year reached a high of \$3,764,931, and during the last few years the association has loaned around \$6,000,000 annually, and since organization has made loans aggregating over \$85,000,000.

Bryan Production Credit Association deals entirely with farmers and livestockmen,

THE LONG TREK

Dateline Austin

Criminal Code In Controversy

By Vern Sanford

AUSTIN
Texas law enforcement officers are urging Gov. John Connally to call a special session of the Legislature to repeal the controversial new Code of Criminal Procedure before it becomes effective Jan. 1.

Texas Police Association has petitions circulating among lawmen in 60 police departments, calling on Connally to do something about the code.

Many lawmen fear forthcoming changes in the statutes will hinder them in combatting crime in Texas. They feel new procedures tend to molly-coddle criminals.

Meanwhile, Atty. Gen. Waggoner Carr is continuing a series of seminars over the state to explain provisions of the new code. A conference at the University of Texas on November 11-13 will explore it in depth.

State Bar Association, which assumed leadership in putting across the changes after years of study, received praise for its efforts from Civil Liberties Union.

Commented Austin Police Chief Bob Miles, past president of Texas Police Association:

"To be perfectly frank, the more we read of the new code... the less encouraged we feel."

APPOINTMENTS ANNOUNCED

Governor Connally named three new members to the State Commission for Blind: Mrs. Alfred A. Ratner of El Paso, Woodrow Wilson Sanderfer of Houston and Frank Robertson of San Antonio. They succeed James R. Curtis of Longview, Burt Risley of Austin and W. Reginald Taylor of Columbus.

Connally reappointed Zeb Fitzgerald of San Marcos, Ed DeLeon of Cuero and Edward Reese of Gonzales to the board of directors of the Guadalupe-Blanco River Authority.

Lt. Gov. Preston Smith picked Joe E. Ward of Wichita Falls as his layman appointee to the Interim Committee on Faculty Compensation in State Supported Colleges and Universities.

A Beaumont banker, I. F. Betts, was elected chairman of the Texas Research League at the annual meeting in Austin. Betts replaces Tom Sealy, Midland attorney. League is a privately financed governmental research agency.

John W. Burcham, chief of insurance for the Texas Employment Commission since 1958, has been named the Commission's general counsel effective Nov. 1.

POLLUTION STUDIES
Strong moves to abate present pollution of Texas streams and to prevent further contamination are being made by State agencies.

Texas Railroad Commission continued its series of moves to pinpoint oilfield salt water pollution and outlaw it. Latest was an order giving oil and gas operators in Lipscomb County until May 1 to quit using surface pits for disposal of salt water.

Texas Water Pollution Control Board had a show-cause hearing on seven sewer plant operators in the Clear Lake Basin of Harris and Galveston Counties. Plants failed to come up to standards ordered by the Board to protect the NASA center area water-courses from pollution. They were given until Feb. 1 to comply.

Tight rules for the Houston Ship Channel also were proposed by the Pollution Control Board. On Dec. 1, a hearing will be held for suggestions before the regulations are put into effect.

A legislator - citizen committee on pollution, headed by Sen. Culp Krueger of El Campo, also held two days of hearings. Committee

called in 18 operators of sewer plants in Galveston, Harris and Bexar Counties to see what their problems are and what new laws help improve things.

All of this activity has as its background the new federal law, giving the states until June 30, 1967, to adopt and make plans to enforce purity standards on all their streams. Otherwise, the Federal government will set up its own anti-pollution measures.

INSURANCE RATE CUT

State Board of Insurance approved an average decrease of 2.9 per cent in Texas workmen's compensation rates, effective Dec. 1.

Annual savings on premiums are estimated at \$4,500,000 a year.

There are about 600 categories of compensation coverage. Some will be increased, some decreased sharply, but the overall average cut will be 2.9 per cent.

TOP OFFICIALS QUIT

Two top state appointive officials have resigned.

Insurance Commissioner J. N. Nutt said he was leaving his post, effective Nov. 1, to return to private business.

Dr. Cyril J. Ruilmann asked to be relieved as acting Commissioner of Mental Health and Mental Retardation before January 1. He said he would "pursue a long-

standing interest in medical education and private practice."

Dr. Shervett H. Frazier, director of the Houston State Psychiatric Institute for Research and Training, was named to replace Ruilmann.

ATTORNEY GENERAL SPEAKS

Licensed beauty operators cannot legally work in barber shops, shampooing, tinting or styling hair of male patrons, says Atty. Gen. Carr. Barbers and beauty operators, he cautioned, have separate state licensing laws and regulatory boards.

In other opinions, Carr concluded that the Dallas Junior College District has no authority to tax intangible assets or rolling stock of railroads; and that a "pour and shake" flour is prohibited from sale because it does not meet standard measures and is not designed for "special or limited use."

SECOND CONFERENCE

The second annual conference of the Central Texas Industrial Development Council will be held Nov. 12 at Baylor University in Waco, the Texas Industrial Commission announced here.

Council is comprised of Central Texas community leaders actively engaged in industrial development programs. It is charged with attracting industry to the area and encouraging the expansion of existing industry.

OLD PHILOSOPHER

Long-Sighted Sage Not Very Enthusiastic About Newfangled Computerized Farm Plan

Dear editor:

I was out here looking this Johnson grass farm over yesterday afternoon without really planning on doing anything about it, I guess the reason some people don't get ahead is that they don't know they're behind, and for no reason at all I kicked a brush pile and a copy of a farm magazine fell out, which I took home and read that night. At first I thought it was a rabbit.

According to an article in it, electronic computing machines, the kind that guides astronauts down from space when a fuse doesn't blow and they have to do it by hand, will someday be common place for farmers and ranchers.

You'll carry a tiny tape recorder with you and talk each day's farm business into it as you go about your work, then at night you plug the recorder into your telephone and a central computer collects your day's reports and stores them in its electronic mind. When you need to make a decision on something, you phone the computer and have it do the figuring for you.

I don't know about businessmen, newspaper publishers, lawyers, etc., maybe they keep their mind on business and nothing else all day, but I reviewed some of my thoughts for one day and I doubt if science has yet produced a computer that could digest them to any great advantage. Here are some of them: (8 a.m.) There

must be some way to figure out a football game where both sides win and everybody leaves the stadium happy. Will work on it tomorrow. (9 a.m.) One way to stop having so many junk yards along the highways is to stop building so many highways. (10 a.m.) That sick calf will either get well or die, wish he'd do one or the other, I'll check on him tomorrow. (11 a.m.) I'm getting hungry. (1 p.m.) I'll think about Viet Nam after my nap. (2 p.m.) That fence needs fixing. (3 p.m.) Coffee break. A man can't work all the time. (4 p.m.) It's a little late in the afternoon to start the tractor now. (5 p.m.) When you capture the moon, what have you got? (6 p.m.) I'm getting hungry. (6:30 p.m.) Time to quit work. Wonder what's on television tonight?

I guess if the government gave me one of these machines to talk into I'd take it, but I believe I can get the same results and do it cheaper just by talking to myself.

Yours faithfully,
J. A.

LINES GO UNDERGROUND

Fully 70 per cent of rural telephone line construction financed by REA is going underground. The cost is less than for conventional overhead facilities as are maintenance costs. And too, it's in keeping, reports the USDA, with President Johnson's efforts to retain and protect the natural beauty of America.

-LETTERS-

Editor of The Herald

Dear Sir:

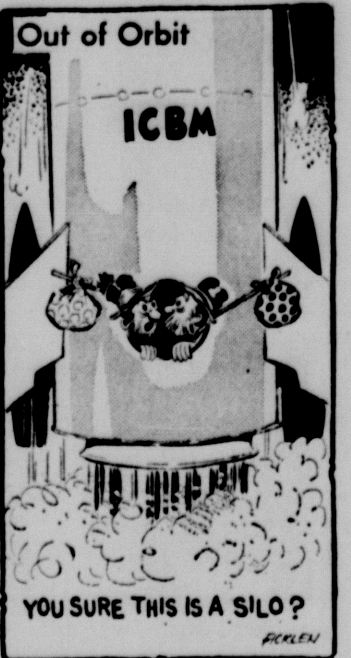

Congratulations to the people of Cameron for the fine turnout Wednesday that produced 85 pints of blood!

We certainly appreciate Cameron's acceptance and response to this emergency drawing necessitated by Fort Hood's cancelled visit for October.

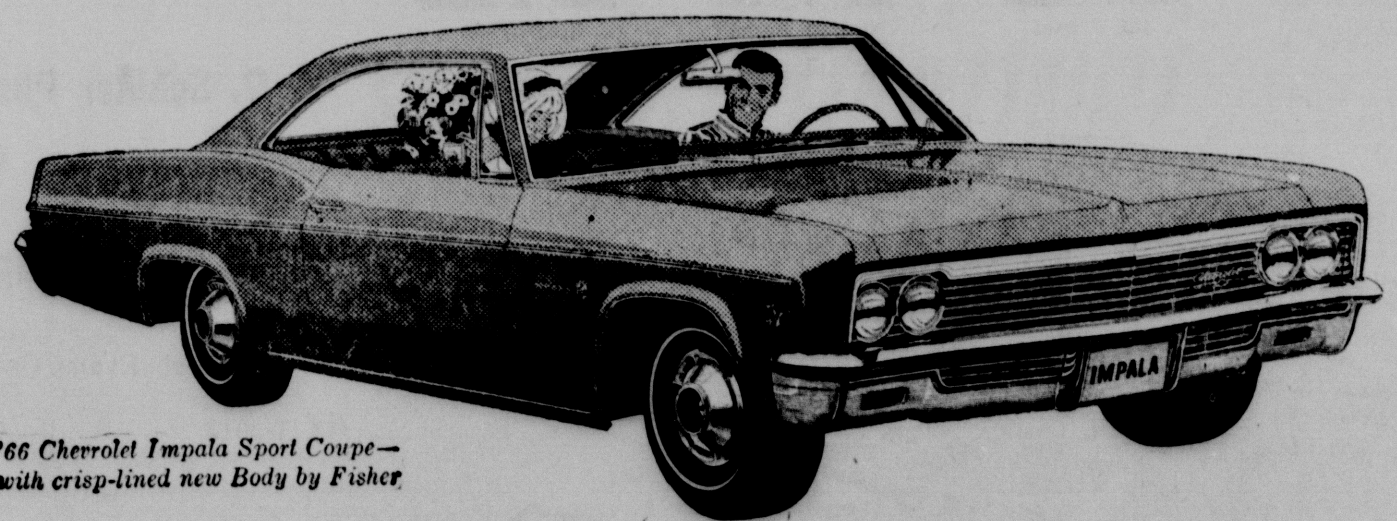

Sincerely yours,
Perry D. Jones

There were more than 250 firms making automobiles in the U. S. in 1908.

Cable cars in San Francisco are pulled along by an underground moving cable.

ENRICHED 7 WAYS

'66 Chevrolet Impala Sport Coupe—
with crisp-lined new Body by Fisher

1. NEW TURBO-JET V8's. Three versions of this remarkably efficient engine are available, with ratings of 325 hp, 390 hp and 425 hp. 2. RICHER NEW INTERIORS. They're impressive even by Impala standards. And the fine hand of Body by Fisher craftsman-

ship is very much in evidence. 3. CRISP NEW STYLING. More elegant from V-shaped grille to new wrap-around taillights. 4. A JET-SMOOTHER RIDE. Refinements in body, frame and suspension (including Full Coil springs tailored to each body style)

make the ride even gentler. 5. RACY SUPER SPORT MODELS. Pick an Impala SS Coupe or Convertible, complete with new Stratobucket front seats and eye-catching console. 6. NEW SAFETY FEATURES. They include windshield washer, two-speed electric wipers,

rear seat belts and backup lights—all standard on every '66 Chevrolet. 7. OVER 200 CUSTOM FEATURES. You can have a field day ordering luxuries like FM stereo radio. Want to raise your standard of living it up? Your Chevrolet dealer's the man to see.

TAKE YOUR PROBLEMS TO CHURCH THIS WEEK

Millions Leave Them There!

TIED!

Maybe no one has ever actually bound your wrists with a rope. But haven't you, at times, felt as if you were literally hand tied? You struggle and strain with your problems and anxieties, and you are completely unable to get free.

Such moments come to everyone, and they are not easy to face. It's simple to be serene when things are going well. But when your hands are tied—when you feel helpless, even hopeless—then you begin to realize life cannot be lived alone.

It's then that you know how important Faith is—how it is something you absolutely must have. With Faith to sustain you, you inevitably begin to see your way out. Without it, you flounder.

Turn to the Church—not just because you are troubled, but because it can give you spiritual freedom.

THE CHURCH FOR ALL... ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

Day	Book	Chapter	Verses
Sunday	Luke	23	32-43
Monday	Luke	24	36-43
Tuesday	John	9	13-25
Wednesday	Acts	9	1-9
Thursday	Acts	9	10-25
Friday	Galatians	5	16-26
Saturday	Ephesians	5	6-14

B. T. Avrett Named

Personnel Director

AUSTIN
Bill T. Avrett, formerly of Thorndale, has been appointed Personnel Director of TRACOR, Inc. Austin-based research, development and electronic instrument manufacturing firm with branches in several states.

In his new post, Avrett heads personnel operations for a staff of 700, chiefly scientists and engineers, in Austin; Rockville, Md.; Washington, D.C.; Torrance, Calif.; Dayton, Ohio; and San Diego, Calif.

He is the son of the late Mr. and Mrs. John Raymond of Thorndale.

213 Meets With New Cub Master

Pack 213 of the Cub Scouts had an organizational meeting at the Methodist Fellowship Hall at 7:30 p.m. Oct. 28. Albert McCullin Jr., new Cubmaster, presided.

Members of the pack committee were introduced and all of the Den Mothers present were thanked for work they are doing with the children. Mr. Cecil Primrose, acting Scout Executive, spoke and offered his services until a permanent scout executive moves to Cameron. The next pack meeting will be in November.

BUCKHOLTS-

By Mrs. J. W. Meyer

BUCKHOLTS
Sandra Gresak, Calvin Shenker Jr. and Toni Necas accompanied the Rev. Frank Simcik to Caldwell Sunday where they attended the encampment and statewide youth rally for Brethren Church young people.

Guests of Mr. and Mrs. J. A. Walsch were Mrs. Joe Chumlea and daughter of Fort Worth and Mr. and Mrs. Dana Kestbaum, Kitty and John of Cameron.

Mrs. Edwin Fischer is recuperating at home following surgery and hospitalization at Kings Daughters Hospital in Temple the past week.

Mr. and Mrs. Joe R. Slovacek have had as guests their son's family, Mr. and Mrs. Marvin J. Slovacek, Marvin Jr., Diane and Lou of San Antonio.

Mr. and Mrs. Frank Kohut have returned from a visit to Houston where they were guests of their daughter and family, Mr. and Mrs. Henry Rubac and children, Rita and Henry Jr.

Miss Arlie Peters is recuperating at the home of her brother-in-law and sister, Mr. and Mrs. J. D. Lewis, following major surgery at Scott and White hospital in Temple. Guests in the Lewis home Sunday included Mr. and Mrs. Irl Peters of Rogers.

Guests of Mr. and Mrs. George Sanders Jr. have been her brother and sister-in-law, Mr. and Mrs. Frank James Jr. of Dallas.

Pvt. E2 Leland D. Jones who has completed his basic training at Ft. Polk, La., has been assigned to Engineer Co. Pipeline Construction Support at Ft. Leonardwood, Mo., where he is training in the Automotive Mechanics School.

USS JAMES E. KYES
Personnelman Second Class Douglas R. Diver, son of Mr. and Mrs. John Diver of Rt. 1, Milano, returned to the U. S. Oct. 7 after seven months of operation.

THE FAMILY LAWYER

Witness Stand Jitters

Right now, cases are pouring into our legal channels at the record rate of half a million every week. One result is a growing likelihood that you yourself, some day soon, will be summoned to the courtroom to be a witness.

Many people get the jitters at the mere thought. A woman witness was so flustered that, when asked for her age, she gave her bust measurement instead. A man, when asked if he wanted to clarify a point, blurted out that he would "rather depend on the ignorance of the court."

No doubt the very setting of a courtroom helps to frighten the witness. Above him sits the robed judge, majestically representing the awesome might of The Law. In front of him, hanging on his every word, sit the embattled litigants and their attorneys. Strangers in the jury box study him intently to see if he is telling the truth.

Yet, if you should be called

SHARP

By Mrs. W. Schwarz

There will be worship service Sunday morning. Lunch will be served and a program on mission study afterwards.

Mr. and Mrs. Frank Kolia, Mr. Charlie and Miss Dillie Brockenhush of Rockdale visited Sunday with Mrs. Max Rinn and Agnes.

Mr. and Mrs. Emory Brockenhush and Peggy, Mrs. Albert and Mrs. Edna Rinn spent Sunday with Mr. and Mrs. Alvin Rinn of Bryan.

Mr. and Mrs. J. D. Pope were Sunday guests of their son, John D. and family.

Mrs. Annie Abel visited a while Sunday with Mr. and Mrs. John Timmerman.

Steve Stoite is on the sick list. Sunday visitors in the Preston Stalte home were Mrs. Moerbe of Thorndale and Mr. and Mrs. Boyd Offield.

Mr. and Mrs. Wally Durham and baby of Bryan spent Sunday afternoon with Mr. and Mrs. Ray Green.

Mr. and Mrs. Elmer Smith of Sugarland were weekend visitors with Mr. and Mrs. Charles Duncan Hunter Duncan and the Roland Lawsons.

Mrs. John Culp and children, Mrs. David Pope and children, Mrs. Theda Albrecht and mother, Mrs. J. L. Modesette, were Sunday guests of Mrs. Mabel Charles.

Mr. and Mrs. Charles Schwarz and children of San Antonio spent Saturday night with Mr. and Mrs. Willie Schwarz and visited with Mrs. Annie, a patient in Richards Clinic Hospital, Rockdale.

Mr. and Mrs. James Schwarz, Diana, Duane and Dale made a brief visit in the Schwarz home Sunday afternoon.

SAN GABRIEL-

By Mrs. H. H. Linke

Nell and Hugh McMillan spent the past week visiting friends in Arkansas.

Mr. and Mrs. J. C. Payne and children of Round Rock were weekend guests of her parents, Mr. and Mrs. Walter McDaniel.

Rev. Bill Parmer spent Wednesday and Thursday in Houston where he attended the Southern Baptist Convention which held its annual meeting there this year.

He was on the program Wednesday night at which time he accepted an award for the San Gabriel Baptist Church as the outstanding church in Texas with a membership of 100 to 200 members. This is the second year in a row this church has won this honor.

Kathryn, Gus and John Clark of Houston were weekend guests of Mrs. Bill Clark.

Mrs. Annie Wells, mother of Mrs. Lucille McQueen, is spend-

ing several weeks with Lucille and Bud. Mrs. Wells' home is in Lockhart.

Sunday guests of the Buddy Limmers were Mr. and Mrs. Marvin Limmer and children of Bastrop.

Howard, Ruby and Sharon Fulcher of Houston spent the weekend with his parents, Mr. and Mrs. Howard Fulcher. Austin guests spending Sunday with them were Mr. and Mrs. Frank Townsend.

Mr. and Mrs. Ray Parmer and family of Nolanville visited in the Bill Parmer home Sunday night.

Mrs. Ed Fipps is a patient in Johns Hospital in Taylor where she had surgery last Monday.

Mr. George Andrews, formerly of Emmet Andrews, died at his home in Houston Saturday. Funeral services were held from the Phillips and Luckey Chapel Tuesday at 2 p.m.

After all, a lawyer's cross examination—like a wife's cross-examination of her tardy husband—has one main purpose: to probe for lies. Unless the opposing attorney has good reason to think you are lying, he is not likely to treat you roughly. He would be running too much risk of winding up as a villain in the eyes of the jury.

Why not see for yourself? Before your own day in court, visit a courtroom to watch what goes on. For witness stand jitters, familiarity is the best antidote of all.

A public service feature of the American Bar Association and the State Bar of Texas. Written by Will Bernard.

Maysfield News-

By Mrs. J. P. Wise

MAYSFIELD Mr. H. G. Newton has returned home after a visit with his daughter, Mrs. Emma Ray Carey, at Tyler.

Mrs. Mariemma Massengale is visiting friends at Freeport.

Miss Mary White of Dallas is spending her vacation with her mother, Mrs. Vina White.

Mr. and Mrs. Albert Hoffman of Fort Worth visited her mother, Mrs. E. D. Kelso, last Monday. Mrs. Kelso returned home with them for a visit.

Mrs. Delbert Sapp visited relatives in Houston last weekend.

Mrs. Roy Newton, Mrs. E. S. Hollingsworth and Mrs. J. P. Wise shopped in Temple Saturday.

Mrs. Gilford Thweatt of Austin came home Thursday due to the illness of her husband.

Mrs. Dock Thweatt returned home Wednesday from St. Edward Hospital where she had been a patient. Her daughter, Mrs. Carroll McElwreath, and family visited her Sunday.

Rev. Billy Newton of Dallas visited his father, Mr. H. G. Newton, Saturday.

Lt. and Mrs. Sandys S. Peyton of Cheyenne, Wyo., announce the arrival of a daughter, Cynthia Lynn, who arrived Oct. 21, in Torbett Hospital in Marlin weighing 7 pounds 8½ ounces. Grandpar-

Santa Fe Income Up For Third Quarter

Consolidated net income for the Santa Fe Railway System and its controlled affiliated companies for the third quarter of 1965 was \$21,730,731 compared with \$20,827,464 for the third quarter of 1964, according to a statement released by President Ernest S. Marsh today.

Consolidated net income for the first nine months was \$64,271,011 and for the same period in 1964 was \$59,943,931.

The improved results for the third quarter reflect the movement of an excellent grain har-

ents are Mr. and Mrs. John Wimberly of Rosebud, Rt. 3, and Mr. and Mrs. A. H. Peyton of Marlin.

vest and a continuing high level of industrial activity. Revenue and net income have now overcome the adverse effect of decreased movement of grain, potash and other export commodities which occurred early in the year due to the dock strikes at Gulf Ports.

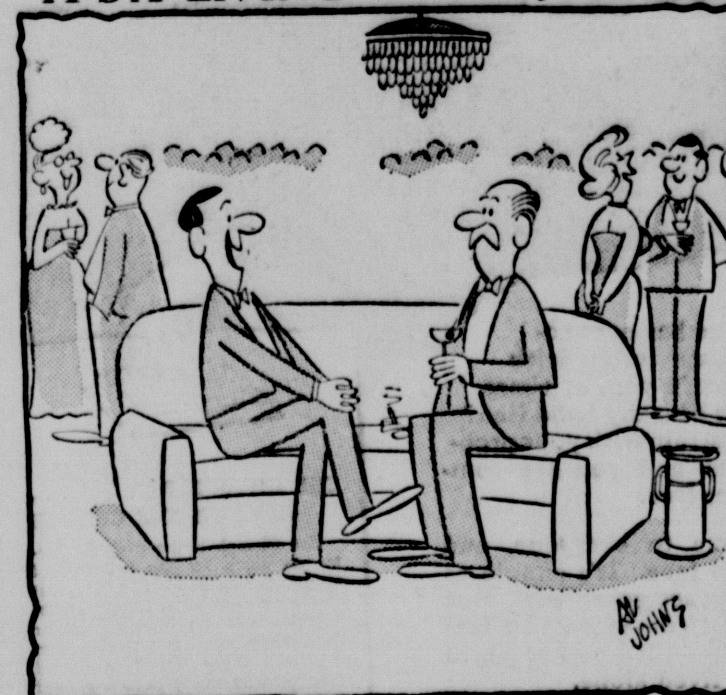

MOSQUITO NETTING A MUST

When fishing in low country, you are apt to spend sleepless nights because of mosquitoes. That is, unless you were thoughtful enough to bring along a few yards of low cost mosquito net-

ting. This net, roughly fashioned to form a square large enough to cover your cot or sleeping bag when suspended from a low-hanging branch or improvised poles, will keep out all insects indefinitely.
